Progress in Cardiovascular Nursing
2000 Subject Index

African Americans
Salt Sensitivity and Hypertension in African Americans: Implications for Cardiovascular Nurses 15;4:138

Ambulatory
Intraaortic Balloon Pumping Through the Common Iliac Artery: Management of the Ambulatory Intraaortic Balloon Pump Patient 15;1:14

Americans
An Overview of Essential Hypertension in Americans as a Multifactorial Phenomenon: Interaction of Biologic and Environmental Factors 15;2:43

Atrial Flutter
EKG Clinical Questions 15;4:151

Atrial Tachycardia
EKG Clinical Questions 15;4:151

Blood Pressure
Considerations in Drug Therapy 15;1:21

Biologic Factors
An Overview of Essential Hypertension in Americans as a Multifactorial Phenomenon: Interaction of Biologic and Environmental Factors 15;2:43

Book Review
Living Well With Heart Disease 15;3:116

Burden of Care
Determination of the Burden of Care in Families of Cardiac Surgery Patients 15;1:4

C-Reactive Protein
Clinical Update 15;4:152

Cardiac
Cue Sensitivity in Women With Cardiac Disease 15;3:82
Determination of the Burden of Care in Families of Cardiac Surgery Patients 15;1:4
Optimum Bedside Cardiac Monitoring 15;4:134

Cardiovascular
Clinical Update 15;4:152
Considerations in Drug Therapy 15;3:104
International Perspectives on CV Nursing 15;1:26, 15;3:110, 15;2:67, 15:4:149
Salt Sensitivity and Hypertension in African Americans: Implications for Cardiovascular Nurses 15;4:138

Chest Pain
The Emergency Department Experience of Chest Pain Patients and Their Intention to Delay Care Seeking for Acute Myocardial Infarction 15;2:50

Clinical
Clinical Update 15;1:30, 15;2:71, 15;4:152

Compliance
A Closer Look at Compliance Research in Heart Failure Patients in the Last Decade 15;3:97

Coronary Artery Disease
Clinical Update 15;2:71

Critical Care
Using a Best Practice Approach to Prevent Treatment Interference in Critical Care 15;2:58

Cue Sensitivity
Cue Sensitivity in Women With Cardiac Disease 15;3:82

Delirium
Keeping Pace 15;3;:114

Dementia
Clinical Update 15;1:30

Drug Therapy
Considerations in Drug Therapy 15;1:21, 15;4:145

EBCT
Clinical Update 15;2:71

EKG
EKG Clinical Questions 15;1:29, 15;2:69, 15;3:113, 15;4:151

Emergency Department
The Emergency Department Experience of Chest Pain Patients and Their Intention to Delay Care Seeking for Acute Myocardial Infarction 15;2:50

Environmental Factors
An Overview of Essential Hypertension in Americans as a Multifactorial Phenomenon: Interaction of Biologic and Environmental Factors 15;2:43

Europe
International Perspectives on CV Nursing 15;2:67

Heart Disease
Prevention of Heart Disease in Women: Recommendation for Management of Risk Factors 15;2:36

Heart Failure
Considerations in Drug Therapy 15;4:145
A Closer Look at Compliance Research in Heart Failure Patients in the Last Decade 15;3:97
Heart Failure in Women 15;4:121
International Perspectives on CV Nursing 15;2:67

Hill-Bone Compliance
Development and Testing of the Hill-Bone Compliance to High Blood Pressure Therapy Scale 15;3:90

HIV
Considerations in Drug Therapy 15;3:104

Hormone Replacement Therapy
Considerations in Drug Therapy 15;1:21

Hypertension
An Overview of Essential Hypertension in Americans as a Multifactorial Phenomenon: Interaction of Biologic and Environmental Factors 15;2:43
Salt Sensitivity and Hypertension in African Americans: Implications for Cardiovascular Nurses 15;4:138

Hyperthyroidism
EKG Clinical Questions 15;2:69

Iliac Artery
Intraaortic Balloon Pumping Through the Common Iliac Artery: Management of the Ambulatory Intraaortic Balloon Pump Patient 15;1:14

Inner Lumen
Nursing Care of the Intraaortic Balloon Catheter's Inner Lumen 15;1:11

International
International Perspectives on CV Nursing 15;1:26, 15;3:110, 15:4:149

Intraaortic Balloon
Intraaortic Balloon Pumping Through the Common Iliac Artery: Management of the Ambulatory Intraaortic Balloon Pump Patient 15;1:14
Nursing Care of the Intraaortic Balloon Catheter's Inner Lumen 15;1:11

Progress in Cardiovascular Nursing

Salt Sensitivity and Hypertension in African Americans: Implications for Cardiovascular Nurses 15;4:138

Hyperthyroidism
EKG Clinical Questions 15;2:69

Iliac Artery
Intraaortic Balloon Pumping Through the Common Iliac Artery: Management of the Ambulatory Intraaortic Balloon Pump Patient 15;1:14

Inner Lumen
Nursing Care of the Intraaortic Balloon Catheter's Inner Lumen 15;1:11

International
International Perspectives on CV Nursing 15;1:26, 15;3:110, 15:4:149

Intraaortic Balloon
Intraaortic Balloon Pumping Through the Common Iliac Artery: Management of the Ambulatory Intraaortic Balloon Pump Patient 15;1:14
Nursing Care of the Intraaortic Balloon Catheter's Inner Lumen 15;1:11

ISHLT
International Perspectives on CV Nursing 15;4:149

Laser Revascularization
International Perspectives on CV Nursing 15;3:149

Laser Revascularization
Transmyocardial Laser Revascularization 15;3:76

Low Density Lipoproteins
Clinical Update 15;1:30

Management
Prevention of Heart Disease in Women: Recommendation for Management of Risk Factors 15;2:36

Medications
Considerations in Drug Therapy 15;2:63

Monitoring
Optimum Bedside Cardiac Monitoring 15;4:134

Myocardial Infarction
The Emergency Department Experience of Chest Pain Patients and Their Intention to Delay Care Seeking for Acute Myocardial Infarction 15;2:50

NPO Patient
Considerations in Drug Therapy 15;2:63

Nursing Care
Nursing Care of the Intraaortic Balloon Catheter's Inner Lumen 15;1:11

Oral Contraceptive Pills
Considerations in Drug Therapy 15;1:21

Patient Risk
Keeping Pace 15;1:24

Postoperative
Keeping Pace 15;3:114

Prevention
Prevention of Heart Disease in Women: Recommendation for Management of Risk Factors 15;2:36

Risk Factors
Prevention of Heart Disease in Women: Recommendation for Management of Risk Factors 15;2:36

Root Cause Analysis
Keeping Pace 15;1:24

Salt Sensitivity
Salt Sensitivity and Hypertension in African Americans: Implications for Cardiovascular Nurses 15;4:138

Spironolactone
Considerations in Drug Therapy 15;4:145

Stroke
Clinical Update 15;1:30

Transmyocardial
Transmyocardial Laser Revascularization 15;3:76

Treatment Interference
Using a Best Practice Approach to Prevent Treatment Interference in Critical Care 15;2:58

U Waves
EKG Clinical Questions 15;2:69

Venous Catheter
EKG Clinical Questions15;1:29

Women
Clinical Update 15;4:152
Cue Sensitivity in Women With Cardiac Disease 15;3:82
Heart Failure in Women 15;4:121
Prevention of Heart Disease in Women: Recommendation for Management of Risk Factors 15;2:36
